When you need specialized consulting expertise to guide growth or leadership for projects when internal resources are not available, **contact Laura to get the job done!**

Service Areas

Vision, Strategy, and Planning

- » Create organizational vision and mission
- » Develop strategic objectives and design plans

Organizational Development

- » Improve workflow and clarify staff roles
- » Define systems and process to support growth

Nonprofit Development

- » Recruit and engage a strong board of directors
- » Design and implement a diversified funding plan

“Laura is a forward thinking, visionary leader who is both strategic in her actions and thoughtful in her approach. She has a strong capacity for bringing together the right combination of individuals to get the job done.”

Dennis Johnston, Senior Director,
AVID Center

“Laura is truly an expert in the field of organizational management! She is a visionary who can help others create a vision, develop strategies, and implement successful initiatives. I would highly recommend Laura for both public and private organizations.”

Ann Kerman, Deputy Executive Officer,
LA County Metropolitan Transportation Authority
